Rule Amendment review & discussion:

1. Shoot-out – Do you add hits, ECT. During a shoot-out to a players seasonal statistics/averages. Captains agreed that indeed this was being done. Unanimous vote approved.
2. Umpires –
 - a. Current rule 5.37/ Darts popping out of boards should not be counted as hit if it pops out before next batter has continued play.
 - b. Also if umpires are not in agreement of play of a dart it is counted as a “dead dart.”
 - c. Once an umpire decision is mad and the next batter has thrown a dart the umpire decision cannot be reversed on previous play/batter.
3. Current rule as of 2006 Rule book; Late arrivals- Late arrivals can only enter a game after game play starts as a substitute for active playing batter. Exception to this rule would be if the team is currently playing with an auto-out situation; “Otto”.

Old rule: Late arrivals could not enter play of a game after the 3rd inning.

Board conditions Review and discussion:

Suggestion that boards that dry-out should be soaked in water to recondition them.

Darts – Captains, please make sure darts are sharp and in good condition.

Current 2006 Rule book will be reviewed at the annual meeting/banquet. Anyone who doesn't have a copy of the current rule book should contact Becky.
